Experience

INTERNPE

Jun 2024 – Jul 2024

Software Developer

- Responsibilities: Earned recognition for exceptional skills and valuable contributions to various tasks and assignments.
- Project: Successfully completed a 4-week virtual internship, demonstrating proficiency in web development by designing and implementing interactive projects.

Projects

Local Service Booking System (HANDY SERVE)

Apr 2026

- Designed and developed a local service booking web application
- Implemented user authentication and role-based access control
- Enabled real-time service availability and booking management
- Optimized database queries for efficient service and booking tracking
- Improved user experience through notifications and structured workflows

Tech Stack: JavaScript, React, Springboot , MongoDB , AWS , Oracle.

Sales Data Analysis using SQL (Walmart Dataset)

Dec 2025

- Analyzed Walmart sales data using SQL to identify sales trends, seasonality, and top-performing products
- Used **JOINS, GROUP BY, HAVING, subqueries, and aggregate functions** for data analysis
- Evaluated customer buying patterns and time-based sales performance
- Generated actionable insights to support business and inventory decisions

Customer Analysis & Segmentation Dashboard using Tableau

Jan 2026

- Created interactive Tableau dashboards for customer behavior and demographic analysis
- Performed customer segmentation based on purchase patterns and spending trends
- Analyzed sales trends and customer lifecycle insights
- Enabled data-driven marketing and customer retention strategies

Skills

- **Languages:** JavaScript, Python, Java, C++
- **Frameworks:** React
- **Tools:** Git, GitHub, Tableau, Power BI, Excel
- **Platforms:** AWS, Netlify

Education

KARPAGAM COLLEGE OF ENGINEERING

Sep 2023 – Present

B.E. Computer Science and Engineering; *CGPA: 7.80*

Coimbatore

Certificate

- Machine Learning with Python IBM 📄
- CCNA-Enterprise Networking Security and Automation certificate 📄
- AWS Certified Cloud Practitioner (GLOBAL CERTIFICATE) 📄
- Cambridge University 📄
- TATA GEN AI 📄
- CCNA-Switching Routing and Wireless Essentials certificate 📄
